

Controlled Substances

Authorized Agent List

Principal Investigator Name	Storage Location – Building and Room	DEA Registration Number
Registrant Name (if different than Principal Investigator)	Storage Location – Postal Address	
• Complete the information requested below. Submit to the college or department of the registration holder (or their responsible program administrator). • Keep a copy with your controlled substances records. Update personnel changes immediately (e.g. strike out departed individuals and note their date of departure). • The signature of the DEA Research Registration Holder (“registrant”) certifies that the designated persons are permitted to act as Authorized Agents with access to controlled substances at the storage location listed above on and after the date provided.
